

## MESSAGE

It is a matter of great pleasure that a Website of Homeopathic System of Medicine, Govt. of Haryana is being launched.

A website is an important platform where the various stake holders can visit for fulfilling their need for information. Further it will also be an important platform for registration of the practitioners of Homoeopathic System of Medicine. It will also make them aware of the various rules, regulations and guidelines about the practice of homoeopathy in the State of Haryana.

I extend my best wishes to the launch of this website.
